

Early Childhood Action Day Harrisburg, PA

Tuesday, June 8, 2010

Your legislator's need to know why investing in
quality early education is important to **YOU!**

We need to tell legislators about:

- ❖ the children and the difference a quality program makes in their lives.
- ❖ the teachers and the critical role their skills and expertise play in a quality program.
 - ❖ the ongoing challenges and successes.

We want to fill the bus leaving from the
United Way Office, 2200 Avenue A, Bethlehem, PA
at 7AM with early childhood educators, staff and parents.

Questions, please contact:

Jan Marie Schwartz, Project Coordinator, at
